- ✓ Move as a RE/MAX ALLIANCE Enhanced Level Customer with Johnson Storage & Moving Co.

Household clutter is second only to price in slowing a home sale. Less is more and the more you do now, the less hassle and cost you'll have when you move. RE/MAX ALLIANCE has partnered with Johnson Storage & Moving for a do-it-yourself storage solution. This is how it works:

- We'll deliver up to 5 weatherized crates to your home. The crates are 5x7x7 (approximately one room of furniture). If you need supplies, we can load them in your crate(s).
- You pack and load the crate(s) and lock the crate(s) with your padlock. (Full service de-cluttering is also offered by Johnson. Call for details).
- Crate & Store will pick up the loaded crate(s) and store it in our clean, safe, secure, and government inspected warehouse for only \$124 for delivery of up to five crates and \$124 for redelivery when needed. Use the coupon here and your storage is free!
